The End
& The Beginning

. . . YOUNGER YEARS

Before we entered B-R, things were different. Back then it was Badgers vs. Giants, now it's B-R vs. Taunton. The eighth grade graduation was our biggest step towards maturity. In June we face the real thing. The big social event was the Friday night dances, not it's the prom. It used to be Bridgewater and Raynham, now it's B-R.

The period of our lives before high school was so carefree. There were no state tournaments, no term papers, no car problems. Granted the four years we have spent here at B-R have been the best so far, the nine years before will always be remembered.

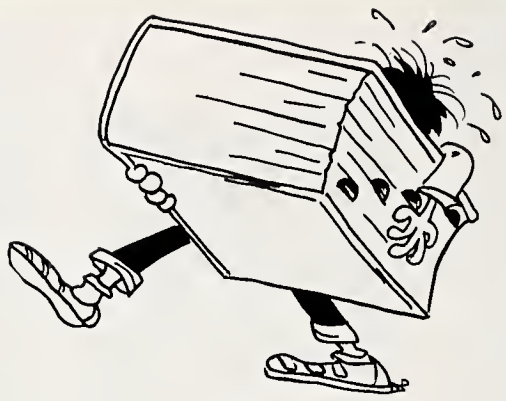
. . . IN THE CLASS



Throughout our four years at Bridgewater-Raynham the classroom has meant more than academics. It has been a room filled with close friends and acquaintances that has helped us to grow and prepare for our future.

Our classrooms during these four years have given us grief, stress, panic, and boredom. Yet we coped and pulled through with satisfaction and plenty of good times.

Now it is time that we walk out the doors of our classrooms and step into a bright and happy future, wherever it may lead us.

GOOD LUCK CLASS OF "91".

CLASS OF 1991

. . . IN SPORTS

During our four years at B-R we have made friends on the playing fields as well as in the classroom. We supported each other through victory and defeat. Our coaches, our team mates, our fans all came to be a part of that special spirit and pride that is a part of B-R. That pride will be a part of us for the rest of our lives. This was only the END OF THE BEGINNING.

FRIENDS TILL THE END . . .

IT'S THE END OF THE BEGINNING and throughout these past four years at B-R, all of us have gone through many changes, starting from insecure, frightened freshmen, to people that are hopefully prepared to deal with the "real world".

Fortunately for most of us, friends have stuck by through these good times and bad.

As we move on in life, most of us will be heading off to college or work. We will also meet new people. But the friendships formed in high school are the ones we will never forget. All of the special times shared are ones that will stay in our hearts for a lifetime, and will serve as many memories in the future.

IT'S THE END OF THE BEGINNING when a friend is more than an acquaintance, much more than a buddy or chum. When others are too busy to help you, a good friend will always come.

A friend will stand beside you, in sunshine as well as in storm, in victory and in tragedy. Blow life's winds cold or warm.

A true friend is not found easily. It is a title earned by few. Of all the people you will ever know, real friends will number one or two.

Colleagues and cohorts will come and go. But one relationship will never end, that is the bond between you and the one, you can honestly call your friend!

It's someone who understands your past, believes in your future, and accepts you today just the way you are. Together for always, and never apart, maybe in distance, but never in heart.

. . .SPECIAL MOMENTS

The past four years at B-R have given us the opportunity to have many special times and long lasting memories. Since the first day of freshman year in the auditorium, when the class of 1991 first came together, we have shared many special times together. We've met new people, made new people to B-R, and have sadly seen some go. Of all the special times we've shared, the ones that will stick out in our minds the most will be the pep rallies, the Thanksgiving Day games, skip days, the Miss Regional dances, and most of all, the Junior Prom. But as our four years at B-R come to a close, we must remember that this is not the end of our good times, it is THE END OF THE BEGINNING.

SPECIAL MOMENTS

JUNIOR PROM

Junior Prom

The Junior Prom was THE END OF THE BEGINNING of our good times . . . Last May we, the class of 1991, held our Junior Prom at The Taunton Regency. Our prom's theme song was "What Does It Take" by Honeymoon Sweet. Colleen Farland was crowned Prom Queen. Members of her court were: Lisa Rose, Lori Marinelli, Linda Gustafson, Maria Gallagher, and Katie Silva. This was a very special night, one which will be remembered by all.

THANKSGIVING RALLY

There we stood the day before Thanksgiving
All pumped up ready for a killin'.
The whole school was jam packed in the gym,
Streamers and posters from rim to rim.
Everyone stood as the earth began to shake:
The O.C.L. title was at stake.
The walls of the school vibrated all through the day
While our voices carried in a monstrous way.
The football players did their thing
While the band got everyone to sing.

SPECIAL PEOPLE SPECIAL PEOPLE

Mrs. Ruth Alexander

Mrs. Rita Nunes

arlier this year Bridgewater-Raynham Regional High chool said goodbye to two very special women: Mrs. uth Alexander and Mrs. Rita Nunes. Both women left eir positions at B-R after many years of dedicated ervice.

rs. Alexander began working at B-R in December 1972 ; secretary to the superintendent and secretary to e B-R School Committee. In 1980 her responsibilities ere expanded to include the duties of treasurer to e school committee. Mrs. Alexander also served as pervisor of the entire secretarial staff until Septem- er 1989. She officially retired from B-R last January.

Mrs. Rita Nunes began working at Bridgewater-Raynham in September 1970 in the main office and as an aide to teachers in several academic departments. From 1971 she held the position of secretary in the main office until 1975 when she became secretary to Mr. Edward J. O'Donoghue, then Assistant Headmaster. From 1989 until the end of November, Mrs. Nunes was personal secretary to Mr. O'Donoghue, Superintendent/Headmaster.

B-R will miss both women and all the support they have given to B-R over the years. We wish them health and happiness in their retirements.

SPECIAL PEOPLE SPECIAL PEOPLE

SPECIAL PEOPLE SPECIAL PEOPLE

Mr. Edward Cunningham

Mrs. Anne Orr

The Class of 1991 takes great pleasure in dedicating the 1991 Bridgewater-Raynham yearbook to a very special teacher and friend.

Mr. Edward Cunningham came to B-R in 1975 as a ceramics and crafts teacher and an assistant football coach. In 1981 Mr. Cunningham was appointed Head of Art and Home Economics. He has retired from active football coaching but has stayed on the staff as chief scout. During his years at B-R, Mr. Cunningham has been a friend and advisor to many grateful students.

The seniors and faculty would like to say a specia thank you to Mrs. Anne Orr, a chemistry-physics teach er, an adjustment and guidance counselor, and espe cially a friend who is always there in time of need.

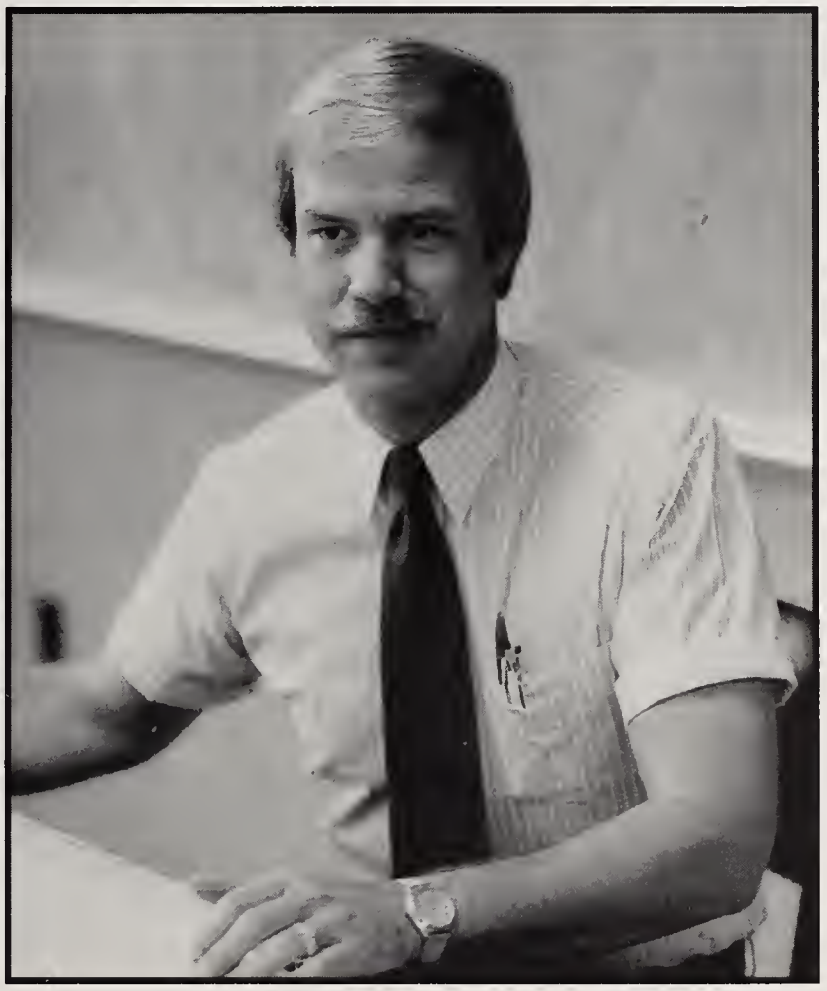
SPECIAL PEOPLE SPECIAL PEOPLE

IN MEMORIAM



Mr. William Pelczarski

This year Bridgewater-Raynham Regional High School was deeply saddened by the loss of Mr. William Pelczarski. Bill was a loyal and dedicated teacher in the Business Department for the past twenty years. His teaching expertise and concern for his classes allowed his students to be fully prepared for their future decisions. As advisor to the Student Council, his leadership and direction created a most influential and productive school organization dedicated to helping others and building school spirit. Bill also worked endless hours to develop a quality psychology course that would be enjoyed by many students.

Thank you for everything, Bill. You will be greatly missed, but never forgotten by your B-R Family.

OUR MEMORIES

To touch our lives in the way that he did
Was very unselfish, which was the way that he lived.
The quickness of losing him has caused us to think;
He was gone so quickly, as if in a blink.
Now we admit distance and remember the past.
Though his life was short, our memories of him will last.
Our lives go on, even though his has ended.
Now we can rest knowing his soul will be tended.

WINTER TRACK

This year's girls' Winter track team held a record of 3 wins and 4 losses. The team was led by the three captains Amy Michael, Sarina Salvo, and Christina Brown, who all kept the spirit high and the team mates cheering even on their off days. The team has grown through the past few years in quantity and in ability. The hard working team put up a strong fight to the last event every meet. Coach Wendy Wheaton is very proud as well as pleased with the star performances in each individual event. The team continued on to send a good number of competitors to the champion O.C.L. meet as well as the State meet at the end of the season. They hope to do equally well next season. Good luck, girls!

B-R Drives for the Green

The B-R Golf Team finished their extraordinary fall season with an impressive 11-2 record. Although they began with a considerably devastating loss to the OCL champion Taunton Tigers, the team strongly regrouped and started an incredible 9-match winning streak that ravaged the OCL.

Peer Leadership

Peer Leadership, which started last year at B-R, is an organization of students whose main purpose it is to help other students.

Peer leaders are educators and listeners. They educate students of all ages about the dangers of alcohol abuse, drug abuse, and negative peer pressure. They also provide an open ear to fellow students to objectively listen to their problems and help them to help themselves work the problems out.

Running to the O.C.L.

The boys and girls cross country team are off and running to another exciting season. The boy's team is 4-3 and hopes to have its first winning season in two years. The team is led by Eamon Weinheimer who is tearing up the courses in the OCL. New member Chris Pike has also showed great effort. Chris has helped the team a lot.

Ski Club

OK everyone! It's finally time to get your skis out and ready for this year's ski season. The first trip is December 15 — right around the corner! There is a special offer for beginning skiers which includes a morning lesson and lift ticket on the bunny hill all day for twenty dollars. Advanced skiers can also go on this trip at the regular price. The mid-week lessons begin Wednesday, January 2nd, and run for five consecutive Wednesday afternoons.

BAND GAINS HONORS

"This is one of the best seasons yet!" announced Drum Major Pally Litzen. "The victories in Taunton were very gratifying," continued Miss Litzen referring to the B-R Band's placing first at the Taunton Christmas Parade for Marching and clinching second place for music. The Trojan Marching Band were awarded these honors out of a field of thirteen other bands, including the hometown favorite, Taunton High.

Science Club Grows

The 1990-91 Bridgewater-Raynham Science Club led by president Dave Querzoli are ready to take action. Querzoli backed by a supportive cabinet of seniors Elise Linhares vice-president, Darcy Hubbard treasurer, secretaries Krísten McKenna and Megean Phaneuf. The club will also be powered by veteran members Joe Poulin, Jim Lemanski, and Paul Astuto.

Club advisor, Mr. David Chuckran along with the rest of the science- interested scholars, welcome four new members in hopes they will carry on the B- R Science Club tradition. These Science Club hopefuls are sophomores Mary Poulin, Linda Batista, Mark Peabody, and William Donnelly. *The Regional Sound* wishes the Club best of luck in whatever they do!

BAND

The Bridgewater-Raynham Band once again enjoyed a very successful year under the direction of Mr. Paul Peterson.

The Marching Band performed halftime shows at all home football games. The show consisted of three numbers: "Infiniti", "Don't Rain On My Parade", "Battle Hymn of the Republic." "Infiniti" featured Brad Rees and Brian Pickett on a trumpet solo. A small but steadfast troop of band and squad members traveled to away games independently, forming a pet band to cheer on the team.

Beyond the form of the football field, the band marched in several parades, including the Tri-Town Veterans' Day Parade, the B.S.C. Homecoming Parade, and the Memorial Day Parade. At the Taunton Christmas Parade, the band rose above the field of thirteen bands to win a First Place trophy for Marching and a Second Place trophy for Music.

Leading the band were seniors Patty Litzen (Drum Major), Bill Cole (Performing Drum Major), Dennis Principe (Drill Sergeant, Saxophone Section Leader), Kim Tatro (Flute S.L.), Chris Vacher (Clarinet S.L.), Mike Caple (Percussion S.L.), Greg Spears (Trombone S.L.), Rob Mitchell (Lower Brass S.L.), Ken Holland, Shannon Sullivan, Derek Peterson, Alicia Ciulla, and junior Brad Rees (Trumpet S.L.). Their involvement in the band's day to day workings proved crucial to the band's success.

In an unprecedented show of dedication and enthusiasm the Pom, Flag, and Majorette squads enlivened the band's performances. Senior Poms Lisa Rose (co-captain), Michelle Persson (co-captain), Laurie McGinn, Stephanie Ward, Paula Worthington, and Shelly Davis thrilled the audience with their breathtaking talent. Flag captain Michelle Oaks and Majorette captain Danielle Piquette with senior Jill Thomas added to the overall atmosphere of the show.

At the conclusion of Marching season, the band shed its visual aspect to concentrate style and technique for the concert band season. Trombonist Bill Cole participated in the Southeastern District Festival. Other members played in the S.E.M.S.B.A. Festival. The full Concert band performed the customary Holiday Concert and Spring Pops Concert. In addition, small ensembles played concerts at area nursing homes and at both junior high schools.

Finally, the B-R Band would like to express its deepest thanks to B.R.A.H.M.S. for its tremendous support. It would also like to express a great deal of optimism for next season and wish the graduating seniors the best of luck in the future.
